

Family-School Partnership

This partnership is Addendum I to our Student/Parent Handbook.

The successful return to school is contingent upon full adherence to the safety plan detailed in the Hybrid Reopening Model. All SJ faculty, staff, students and parents are asked to comply with our community pledge and partnership agreement. The family-school partnership agreement form will be an addendum to our student-parent handbook. Resources including this pledge, self-screening guidance, and general expectations are available on the “Come Home to Joe” webpage.

Please review carefully before signing and returning your agreement to Mr Matthew Kavulich, Dean of Student Life, by **September 4, 2020**.
